

What is ROTARY Children's Fun Day (RCFD)?

A NEW official Rotary GB&I (RGI) Youth Programme under full branding and control of RGI. Think 'Rotary KidsOut' but with a different title. RCFD includes not only a 'Fun Day' out in June, but also the Rotary Christmas Toy Box *initiative*.

Why ROTARY Children's Fun Day (RCFD)?

For over 30 years National Rotary KidsOut Day was supported by the KidsOut Charity however, in order to move forward and ensure even more children can have a great fun day experience, RGI needed to take a more pro-active *hands-on* involvement, whilst also allowing the KidsOut Charity to explore new avenues too. Involving MORE Rotary Clubs = MORE Children

What Date is the RCFD 2025?

The annual, schedule date/day is based around the second Wednesday in June ie **11 June 2025**, but this date is flexible.

Will the 'Fun Day' Subsidy still be available?

YES! The ROTARY Children's Fun Day (RCFD) is being fully supported by the Kids in Mind Charity (KiM) see [link Kids in Mind](#) providing a subsidy directly to Rotary Clubs of £5.00 for every child sponsored by the Club.

ROTARY Christmas Toy Box *initiative* 2024

How do 'you', your Club / District Register for a 'Fun Day' or 'Toy Box'?

On-Line Registration could not be simpler, separate *links* for each. Full details to follow

Who are the Kids in Mind (KiM) Charity? (see *link* above)

In addition to fully supporting the 'Fun Day' and 'Rotary Toy Boxes', the charity are also working closely and involved with RGI on various mental health *projects*.
